**Re: Fulfillment of Reporting Obligation
Under 21 U.S.C. & 343® and 21 CFR & 101.93**

Dear Dr. Yetley:

E'OLA International, in accordance with 21 U.S.C. & 343® and 21 CFR & 101.93, hereby submits an original and two copies of its notification of its product marketing with the statement presented below. E'OLA International retains scientific documents supporting the statements.

1. Supplement Brand Name: **Meta-HGH**
2. Supplemental Ingredient(s) **Amino Acids and plant based nutrients**
that is the subject of the statement:
3. Text Of Statement Of Nutritional Support: **"META-HGH consists of a variety of natural HGH regulators including amino acids and plant based nutrients, which have been shown to increase the amount of actual growth hormone secreted by the pituitary gland. . .it helps to regulate your body and reset individual's fat set point for increased weight management success."**

In accordance with 21 U.S.C. & 343® and 21 CFR & 101.93©, each of the above statements will be followed by an asterisk that will cross-reference to another asterisk on the very same panel or page next to which the following statement will appear in the box in bold face type: **"These statements have not been evaluated by the Food and Drug Administration. The product is not intended to diagnose, treat, cure or prevent any disease."**

Respectfully Submitted,

Wayne Reis
